

18" Professional Subwoofer

HLS18S

Features

- 18" low frequency speaker.
- Bass with powerful and strong rhythm.
- Special design for small DISCO system.
- Large port area for reduced distortion.
- 20 mm threaded pole socket for solid, secure satellite speaker mounting.

The HLS18S subwoofer's compact design is equally at home as a small, high-performance satellite subwoofer system or as a building block for larger subwoofer arrays.
